

**Victor Horniblow**  
**Senior Cost Manager**  
**Turner & Townsend Cost Management**

Victor is a qualified Building Services Engineer who then moved into M&E Cost Management.

He has worked on major projects such as Wembley National

Stadium and Terminal 5 at Heathrow Airport. He moved North from London 6 years ago and immediately got involved in the cost management of the M&E services for the new Museum of Liverpool, before progressing onto the cost management of the Exhibition Fit Out.
